Australia, The Wide Brown Land For Me!

\$54.95

Finally! An Australian history programme that is designed especially for the homeschooling family!

Complete with text, activities, map-work, notebooking, hands-on activities, and even Aussie recipes, our Australian History curriculum is finally here!

Â

Spanning over 400 years of history, this book covers from the earliest times, to discovery and settlement, the development of Australia, Federation, and finishes with a brief look into our future.

Â

38 lessons are included--these could be done over 1, 2 or more days. Depending on how often you use it, therefore, this curriculum could be used over 1 or 2 terms, or indeed, it can be used for a full year of Australian History.

Australia, The Wide Brown Land for Me! - We think you'll enjoy it!
